DISCLOSURE INFORMATION
In compliance with ACCME requirements and guidelines, the ACR has developed a policy for review and disclosure of potential conflicts of interest, and a method of resolution if a conflict does exist. The ACR maintains a tradition of scientific integrity and objectivity in its educational activities. In order to preserve this integrity and objectivity, all individuals participating as planners, presenters, moderators and evaluators in an ACR educational activity or an activity jointly sponsored by the ACR must appropriately disclose any financial relationship with a commercial organization that may have an interest in the content of the educational activity.
