

Activity: Quarterly Review of Pediatric Radiology Fellow by Pediatric Radiology Faculty
Evaluation type: Pediatric Radiology Fellow

Medical Knowledge – the competent fellow is knowledgeable, scholarly and committed to lifetime learning

- 1.Has good knowledge base of pediatric medical/ surgical problems and related anatomy
NO-Not Observed BC-Below Competence C-Competent AC-Above Competence
- 2.Presents cases succinctly at conferences and read-out
NO-Not Observed BC-Below Competence C-Competent AC-Above Competence
- 3.Recognizes abnormal radiologic findings
NO-Not Observed BC-Below Competence C-Competent AC-Above Competence
- 4.Interprets abnormal findings correctly
NO-Not Observed BC-Below Competence C-Competent AC-Above Competence
- 5.Composes an appropriate differential diagnosis
NO-Not Observed BC-Below Competence C-Competent AC-Above Competence
- 6.Has shown improvement in these parameters since last evaluation (if applicable)
NA-Not Applicable BE-Below Expectation AE-As Expected EE-Exceeds Expectation
- 7.Specific Comments:
(comment box here)

Patient Care – the competent fellow provides compassionate, appropriate and effective care for health problems and makes efforts to promote health

- 8.Gathers accurate patient information essential to performance and interpretation of exams
NO-Not Observed BC-Below Competence C-Competent AC-Above Competence
- 9.Performs procedures skillfully with attention to patient comfort
NO-Not Observed BC-Below Competence C-Competent AC-Above Competence
- 10.Oversees technologists' radiography when requested
NO-Not Observed BC-Below Competence C-Competent AC-Above Competence
- 11.Demonstrates commitment to reducing patient dose
NO-Not Observed BC-Below Competence C-Competent AC-Above Competence
- 12.Has shown improvement in these parameters since last evaluation (if applicable)
NA-Not Applicable BE-Below Expectation AE-As Expected EE-Exceeds Expectation
- 13.Specific Comments:
(comment box here)

Professionalism – the competent fellow is altruistic and accountable, and adheres to principles of medical ethics by respecting and protecting the patient's best interests

- 14.Is conscientious and punctual
NO-Not Observed BC-Below Competence C-Competent AC-Above Competence
- 15.Maintains professional appearance and behavior
NO-Not Observed BC-Below Competence C-Competent AC-Above Competence
- 16.Is interested, engaged in the specialty
NO-Not Observed BC-Below Competence C-Competent AC-Above Competence

Evaluation type: Pediatric Radiology Fellow page 2

17. Guards patient confidentiality (turns off computer screens and disposes of sensitive material appropriately)

NO-Not Observed BC-Below Competence C-Competent AC-Above Competence

18. Acts as a member of the health care team

NO-Not Observed BC-Below Competence C-Competent AC-Above Competence

19. Admits and corrects mistakes

NO-Not Observed BC-Below Competence C-Competent AC-Above Competence

20. Has shown improvement in these parameters since last evaluation (if applicable)

NA-Not Applicable BE-Below Expectation AE-As Expected EE-Exceeds Expectation

21. Specific Comments:

(comment box here)

Practice-Based Learning and Improvement – the competent fellow investigates and assimilates patient care practices, and appraises and assimilates scientific evidence in order to improve his/her practice.

22. Demonstrates critical assessment of scientific literature through Journal Club and conferences

NO-Not Observed BC-Below Competence C-Competent AC-Above Competence

23. Uses multiple learning sources: books, journals, on-line resources, peer consultations

NO-Not Observed BC-Below Competence C-Competent AC-Above Competence

24. Takes part in a research project that has potential as a published article

NO-Not Observed BC-Below Competence C-Competent AC-Above Competence

25. Participates in QA exercises

NO-Not Observed BC-Below Competence C-Competent AC-Above Competence

26. Teaches peers, students and other professionals

NO-Not Observed BC-Below Competence C-Competent AC-Above Competence

27. Has shown improvement in these parameters since last evaluation (if applicable)

NA-Not Applicable BE-Below Expectation AE-As Expected EE-Exceeds Expectation

28. Specific Comments:

(comment box here)

Systems-Based Practice – the competent fellow understands health care practice

29. Demonstrates knowledge and application of appropriateness criteria and other cost-effective healthcare principles

NO-Not Observed BC-Below Competence C-Competent AC-Above Competence

30. Uses departmental resources (PACS, RIS, physics support, etc) to enhance patient care

NO-Not Observed BC-Below Competence C-Competent AC-Above Competence

31. Incorporates risk management principles (patient identification, documentation, etc) into daily practice

NO-Not Observed BC-Below Competence C-Competent AC-Above Competence

32. Has shown improvement in these parameters since last evaluation (if applicable)

NA-Not Applicable BE-Below Expectation AE-As Expected EE-Exceeds Expectation

Evaluation type: Pediatric Radiology Fellow – page 3

33. Specific Comments:
(comment box here)

Interpersonal/Communications Skills – the competent fellow communicates and teaches effectively

34. Is helpful and proficient as a consultant for clinicians in person and by telephone

NO-Not Observed BC-Below Competence C-Competent AC-Above Competence

35. Interacts well with technologists, nurses and librarians

NO-Not Observed BC-Below Competence C-Competent AC-Above Competence

36. Communicates effectively with patients and parents

NO-Not Observed BC-Below Competence C-Competent AC-Above Competence

37. Teaches residents and medical students

NO-Not Observed BC-Below Competence C-Competent AC-Above Competence

38. Converses easily with faculty and demonstrates knowledge verbally

NO-Not Observed BC-Below Competence C-Competent AC-Above Competence

39. Composes succinct, clear and accurate reports

NO-Not Observed BC-Below Competence C-Competent AC-Above Competence

40. Has shown improvement in these parameters since last evaluation (if applicable)

NA-Not Applicable BE-Below Expectation AE-As Expected EE-Exceeds Expectation
